All Candidates must be eligible for or possess a California medical license. You can use this flowchart to help determine your eligibility for a California medical license.

1. Where did you attend medical school?
   - America or Canada
   - Internationally (other than Canada)

2. Is your medical school approved by the California Medical Board?*
   - Yes
   - No

3. Do you have 24 months of ACGME or RCSPC approved postgraduate training?**
   - Yes
   - No

4. Did you pass USMLE Step 3?
   - Yes
   - No

5. Unfortunately, you are not eligible for a CA medical license. You cannot apply to the fellowship.

6. Please apply to our fellowship program!

*To look up your medical school on the CA medical board’s approved list, click here: [www.mbc.ca.gov/Applicants/Medical_Schools/](http://www.mbc.ca.gov/Applicants/Medical_Schools/)

**To see if your postgraduate medical training program is on the ACGME or RCPSC approved list, click on the link below:
